

Cooperation Societies are voluntary and autonomous institutions registered with the Registrar of Cooperative Societies, Meghalaya, to generate income and employment in the society from investment in economic activity through raising of share capital contribution from members.

The role of the Registrar of Cooperative Societies is regulatory, catalytic and promotional. Under provision of the Meghalaya Cooperative Societies Act, the Govt. on the recommendation of the Registrar of Cooperative Societies, may channelized granting of loans, give financial assistance in any form to any good performing registered Cooperative Society which puts forward a satisfactory scheme to augment utilization of the funds so raised for consideration and approval.
